

Sri C. K. RAJIAH SETTY.—Apart from this, is the Government aware that due to change of policy in distribution, that the rate of sugar has gone up?

ಶ್ರೀ ಕೆ. ಎಸ್. ಪಾಟೀಲ್.—ಯಾವ ಪಾಲಿಸಿಯೂ ಇಲ್ಲವೆಂದು ಬದಲಾವಣೆ ಆಗಿಲ್ಲ. ಹಳೆಯ ಪಾಲಿಸಿಯೇ ಮುಂದುವರಿಯುತ್ತಾ ಇದೆ.

Sri C. K. RAJIAH SETTY.—Are you aware that Government were distributing sugar both to retail dealers as well as wholesale dealers and the Sugar Factory stopped issuing sugar to the retail dealers and therefore, the price has gone up?

Sri B. D. JATTI.—It is not correct, Sir. The procedure which was followed in old Mysore was, only 25 per cent was sold to the wholesalers and 50 per cent was sold to retailers, hotels, restaurants, bakeries and confectionaries, etc., and the remaining 25 per cent was reserved to issue to Fair Price Shops. The same procedure is followed even now also.

ಶ್ರೀ ಬಿ. ಎಸ್. ಪುಟ್ಟಸ್ವಾಮಿ.—ಮಂಡ್ಯ ಪುಗರ ಪಾಕ್ಯರಿಯವರು ಹೋಲ್‌ಸೆಲ್‌ ಡೀಲರ್‌ಗಳಿಗೆ ಕೊಟ್ಟಿದ್ದಾರೆ. ಒಬ್ಬನೇ ಒಬ್ಬ ಹೋಲ್‌ಸೆಲ್‌ ಡೀಲರ್‌ಗೆ ಆ ಪಾಕ್ಯರಿಯಿಂದ ಹೆಚ್ಚಾಗಿ ಕೊಟ್ಟು ಅವರು ಸ್ಟಾಕ್ ಮಾಡಿ ಅವರು ಆರ್‌ಟಿಫಿಕಿಯರ್ ಆಗಿ ಬೆಲೆಯನ್ನಾ ಹೆಚ್ಚು ಮಾಡುತ್ತಾ ಇರುವುದು ಗೊತ್ತೇ?

Sri B. D. JATTI.—That is not correct, because the rate at the godown at which the sugar is sold is fixed.

Sri C. J. MUCKANNAPPA.—What are the different considerations that prevail on the Government in fixing the rate?

Sri B. D. JATTI.—They will take into consideration several things. The main difficulty is regarding the consumer. If the sugar produced in our State is allowed to be sold at a lesser rate, it would be difficult to secure sugar in our State. Therefore, this is done.

Sri J. B. MALLARADHYA.—Is there any movement restriction of sugar out of the State and if so, what are the measures taken by the Government? With regard to the scheme of the South India Sugar Mills Association, will the Government be pleased to keep a copy on the Table of the House?

Sri B. D. JATTI.—I have not got a copy. I will obtain a copy and there is no difficulty in placing a copy on the Table of the House.

Sri K. S. SURYANARAYANA RAO.—Is it not a fact that shortage of sugar was there even before the South India Sugar Mills Association fixed up the rate and when there was no rise or shortage before they took a decision, how can it be a fact that the rates went up or shortage occurred immediately after the decision of the Board?

Sri B. D. JATTI.—Rates have not been increased because of the decision of the Association. Shortage was there and today also and shortage is bound to be there for some more time in future. Unless shortage is removed, this difficulty will be there.

Appointments of the Primary and Middle School Teachers.

*Q.—37. **Sri M. RAMAPPA** (Harihar).—

Will the Government be pleased to state:—

(a) the basis on which the appointments for the posts of primary and middle school teachers are made by the Public Service Commission;

(b) whether the communal ratio among the backward classes is observed in making these appointments;

(c) whether the Public Service Commission is presenting the report annually to the Governor and whether the Government is laying the report before the legislature; if not, why not?

A.—**Sri ANNA RAO GANAMUKHI** (Minister for Education).—

(a) By selection subject to classification, reservation and merit in each Community based on minimum educational qualification.

(b) Yes.

(c) Yes.

Sri M. RAMAPPA.—In the absence of any test or interview while selecting these teachers, may I take it that the applicants who got the highest marks will be got selected?

†Sri ANNA RAO GANAMUKHI.—Yes; as far as the general class is concerned, they are selected on merit. Even so far as backward class and special and reserve class are concerned, there also, merit is taken into consideration.

Sri M. RAMAPPA.—Can I take it that the applicants that get the highest marks get it automatically?

Sri ANNA RAO GANAMUKHI.—(Certainly, according to classification, qualification, and ratio of the population.

Sri U. M. MADAPPA.—Is it not fair that candidates who have passed the U.G.T. examination should be included automatically?

Sri ANNA RAO GANAMUKHI.—Those terms are obsolete now because we have laid down the minimum qualification as S.S.L.C. for the appointment of a teacher.

Sri U. M. MADAPPA.—They are all trained teachers. Is it not a fact that all trained candidates should be appointed automatically?

Sri ANNA RAO GANAMUKHI.—Whether they are trained or untrained, the M.S. or L.S. certificates will not be considered for appointment of teachers.

Sri M. RAMAPPA.—Is the Government annually presenting the report of the Public Service Commission to this House?

Sri ANNA RAO GANAMUKHI.—Yes, that is being done.

Sri M. RAMAPPA.—How many reports are presented so far, Sir?

Mr. SPEAKER.—Two reports have been presented so far.

Sri M. RAMAPPA.—Sir, under article 323 of the Constitution, the Public Service Commission has to present its report to the Governor and it should be placed before the Legislature in turn.

Mr. SPEAKER.—We have received two reports.

Sri M. RAMAPPA.—Why is not the Public Service Commission presenting the report annually?

Mr. SPEAKER.—The reports are being presented.

Sri M. RAMAPPA.—The report now presented is for 1956-57....

Sri J. B. MALLARADHYA.—Sir, the P.S.C. report for the year 1956-57 has been placed on the Table of the House. The question Sri Ramappa is asking is

about its constitutional provision. There is no option left to the Public Service Commission. They have got to submit a report every year. His question is whether the Public Service Commission is rendering an account every year and if not why not.

Sri ANNA RAO GANAMUKHI.—Annual reports of the Public Service Commission of 1954-55 and 1955-56 have been placed before the Legislature. Similarly the Public Service Commission's report for 1956-57 has recently been submitted to the Legislature. And the Government has received the P.S.C. report for the year 1957-58 and it is receiving the attention of the Government and it will shortly be placed before the House.

Sri G. SIVAPPA.—Sir, to clause (b) whether the communal ratio among the backward classes is observed in making these appointments, the answer is yes. Apart from the communal ratio among the communities, are candidates selected according to the merit? Is it not a fact that there are certain allegations that they are not following this principle?

Sri ANNA RAO GANAMUKHI.—I do not think that this salutary rule is departed by the P.S.C. They are strictly adhering to that rule.

Principles governing the Constitution of N.E. and Block Development Committees.

*Q.—39. Sri M. RAMAPPA (Harihar).—

Will the Government be pleased to state :—

(a) the basis on which the N.E.S. Committees or Block Development Committees are constituted in the State ;

(b) the agency through which the Government get the information about the persons to be nominated as members ;

(c) the reasons for nominating most of the Municipal Councillors of Harihar Town to these Committees ;
